

ACE Evenings at Kemah Boardwalk & Galveston Island Historic Pleasure Pier June 23-24, 2017

The Event

What can be bigger than Coaster Con XL? How about extending your XL experience by joining us June 23rd for an afternoon and evening of fun during ACE Evening at the Kemah Boardwalk and June 24th for ACE Night at the Historic Galveston Island Historic Pleasure Pier! Kemah Boardwalk is home to the compact and thrilling Gravity Group designed *Boardwalk Bullet* as well as several other family and thrill rides, shops, restaurants and live entertainment. On Fridays in the summer Kemah Boardwalk offers a fireworks show every Friday night and ACE will receive a special area set aside for members to view the show! Due to the long operating hours ERT is not possible but an exit pass for *Boardwalk Bullet* will be provided to those who attend.

The ACE fun continues Saturday evening for a night on the Galveston Island Historic Pleasure Pier, home to the Gerstlauer Euro-Fighter, *Iron Shark!* The pier is a sight to see at night with the rides all lit up in multi-color LED lights reflecting off of the Gulf of Mexico. Take a ride on the Star Flyer for a view of the island and gulf at night from 200' in the air. After 10 p.m. a VIP wristband will be provided for exit access to *Iron Shark* and the Star Flyer. After closing there will be 30 minutes of ERT on *Iron Shark*.
